

Get ready to Do Engineering

NIYANTRA is an annual Student Design Contest organized by National Instruments. This is an opportunity for engineering students to solve challenging real world problems, implement their solutions and get rewarded for it.

To enter the contest, submit an abstract for your project. Upon short-listing, your team will get trained and receive free mentorship from NI Experts. Get access to NI hardware & software, and bring your ideas to reality.

The best one takes the cake!

1st Prize: INR 75,000*

2nd Prize: INR 50,000*

**+ Win a chance to participate in
